I forward herewith a plan showing the position of the roads in the Bellary Cantonment. The survey numbers through which the roadspasses are also noted in the plan. These roads have not been separately demarcated. All the roads form part of the Town site porambokes through which they pass.

2. All the roads were in the occupation of the military authorities on 1--4--1921.

3. In reply to Government memorandum No. 34814-1 A-2 L & M., dated 23-9-1929, it was reported in this office endorsement D. Dis.5639/29/B-4 dated 4-1-30 that the whole of the Cantonment area may be taken over and administered by the Municipal Council, Bellary. If Government approve of this proposal, the maintenance of these roads will devolve on the Municipality.
